### Archangel

*Belgian Tripel • 8.9% ABV • 29 IBU*

A light-yet-potent Belgian Ale, Tripels are known for being gently estery-sweet while also pushing the upper bounds of the ABV spectrum. A great beer for settling into the slumber of a new year.

### Jelly of the Month Club

*Sour Wheat w/ Plum and Blackberry • 5.8% ABV • 9 IBU*

This sour wheat ale was fermented with a brand new yeast strain, giving it a tartness without the normal kettle-souring process. It was then aged on a generous amount of plum and blackberry puree. It really is the gift that keeps on giving the whole year.
